

## Capital Fund Drive

give · receive · help · heal · promise

Thanks to all who have turned in a pledge card. We have received 34 pledges so far. If you need a pledge card, they are available on the little table in front of the church office or contact Curt Crouch. Please put your name on your card when turning it in.

We are accepting a bid from Lascko for \$1,300 to put in the venting for the new boiler. We have accepted a bid from East Muskegon Roofing for \$9,800 to completely replace the front half of the roof (from the coat room wall to the front edge on Mears Ave.). Both projects should be started soon and we hope to have them completed by October
