TO BRING GOD’S GRACE AND LOVE TO  
EACH OTHER  
AND TO THE WORLD

September 2019

**Pastors Notes**

Thank you to everyone who helped lead, contributed toward or prayed for our summer programs.

Thanks to Cheri Crouch for June’s Steak Fry, to Flo King for Smorgasbord; to Allie Ogden for DayCamp and the July 4 parade; Laura Hollister and the YMCA & the Crouches for swim lessons; Kay Snell and many people for the Backpack event. ( It was Kay’s 16th Backpack event)

To the Capital Campaign Committee and supporters - - we have a new roof! By November of 2020 we should be ready to paint the inside of the sanctuary - by 2022 we will be ready for Lebanon’s 150th Anniversary.

Our Food Pantry continues on Wednesday mornings, but on September 12th, it adds Thursday evenings 5:30pm-7:30pm, including a 6:30 pm dinner together.

Also beginning September 12th Barb Reese leads us in packing bags for Montague and Whitehall children (about 10 each district) to take home food for weekends. Some families are so food insecure they do not have enough food to eat.

Beginning in November, Lebanon will participate with a select group of synod congregations, under the leadership of Assistant to the Bishop David Sprang called REVIVE. This 3-year program emphasis\* also takes us to our 150th anniversary in 2022.

\*It will involve some one-day events & some overnight events. We will designate 3 leaders for November 2 events at Christ the King Lutheran in Gladwin 8:30 am-5:00 pm.

We will celebrate all these summer ministries and all the steps toward our 150th anniversary with a pig roast potluck on September 15th at noon.

We will celebrate our 150th with both building - related renewals and with ministry - related renewals. So invite your friends, inform your neighbors, and mark your calendars.

*Pastor Ogden*

**Sanctuary Church**

Last week, the Churchwide Assembly voted to designate the ELCA a "sanctuary denomination". All across our church, we are working together to answer Martin Luther's Small Catechism question, "What does this mean?"

Our church is trying to be faithful. Becoming a sanctuary denomination means that the ELCA is publicly declaring that walking alongside immigrants and refugees is a matter of faith. This designation is a declaration that the ELCA is taking action in response to Jesus' commandment to welcome and love our neighbor and keep with scripture that states, "The alien who resides with you shall be to you as the citizen among you; you shall love the alien as yourself" (Leviticus 19:34).

The ELCA's designation as a "sanctuary denomination" means that our church will continue to support refugees as they are resettled in the U.S. through our partnership with Lutheran Immigration and Refugee Services, provide legal assistance to immigrants pursuing their legally-protected right to seek asylum, and ensuring that undocumented immigrants are aware of their rights under U.S. law. Moreover, the ELCA will continue to advocate for just and humane treatment of detained immigrants, including calling for adequate housing at detention centers and accompanying minors through immigration court as part of the ELCA's AMMPARO program.

Being a sanctuary denomination will look different in different contexts. It may mean providing space for people to live; providing financial and legal support to those who are working through the immigration system; or supporting other congregations and service providers. We cannot mandate or direct our congregations and ministries to respond in specific ways. Each must work out what this means for them in their context.

These are long-standing ELCA practices. Except for our members whose ancestors were here before European settlement or others who were forced to come to the U.S. against their will, the ELCA is an immigrant church. After World War II, one in six Lutherans was either displaced or a refugee. Our denomination has long been committed to the biblical mandate to welcome the stranger. We do so in the belief that what we do unto the least of these, our sisters and brothers, we do unto Christ himself. Our decades-long work with immigrants and refugees is one of the ways we practice our faith in the world. Lutherans started Lutheran Immigration and Refugee Service, one of the nine refugee resettlement agencies in the U.S. and the Churchwide Assembly's actions re-commit us to this long tradition.

If you are interested in working with or on behalf of refugees and immigrants, please contact the Synod Office and we will help to connect you to ministry opportunities. To learn more about the ELCA's AMMPARO program, visit: <https://www.elca.org/ammparo>.

Peace be with you!

**Evangelical Lutheran Church in America**

God's work. Our hands.

### What does becoming a sanctuary denomination mean for the ELCA?

- **In its simplest form, becoming a sanctuary denomination means that the ELCA is publicly declaring that walking alongside immigrants and refugees is a matter of faith.** The ELCA Churchwide Assembly, the highest legislative authority of the ELCA, declared that when we preach on Sunday that Jesus told us to welcome, we will use our hands and voices on Monday to make sure it happens.
- **Being a sanctuary denomination does not call for any person, congregation or synod to engage in any illegal actions.**
- **We have a broken system regarding immigration, refugees and asylum-seekers.** To declare ourselves a sanctuary church body is to say that we seek to provide concrete resources to assist the most vulnerable who are feeling the sharp edges of this broken system.
- **Being a sanctuary denomination is about loving our neighbors.** While we may have different ideas about how to fix this broken system and may have different ways of loving our neighbors, our call to love our neighbor is central to our faith.
- **Being a sanctuary denomination will look different in different contexts.** It may mean providing space for people to live; providing financial and legal support to those who are working through the immigration system; or supporting other congregations and service providers. We cannot mandate or direct our congregations and ministries to respond in specific ways. Each must work out what this means for them in their context.
- **While we don't yet know the full scope of the work that this declaration will open for the church, we do know that our faith communities are already doing sanctuary work.** Sanctuary for a congregation may mean hosting English as a second Language (ESL) classes; marching as people of faith against the detention of children and families; providing housing for a community member facing deportation; or, in some of our congregations, having thoughtful conversations about what our faith says about immigration. All of these are a step closer to sanctuary in our faith communities and sanctuary in our world for people who must leave their homes.

- **Except for our members whose ancestors were here before European settlement or others who were forced to come to the U.S. against their will, the ELCA is an immigrant church.** Our decadeslong work with immigrants and refugees is how we practice our faith in the world. Lutherans started Lutheran Immigration and Refugee Service, one of the nine refugee resettlement agencies in the U.S.
- **At our last churchwide assembly, we also committed to walking alongside Central American children and families fleeing their communities by passing the AMMPARO strategy (Accompanying Migrant Minors with Protection, Advocacy, Representation and Opportunities).**
- **Through the AMMPARO strategy, we are also working through our global partners in Central America to alleviate the conditions that cause people to migrate.** We support organizations and faith communities that work with deported migrants in Central America and advocate for the humane treatment of immigrants in Mexico. In the U.S., we have a network of 151 welcoming and sanctuary congregations that are committed to working on migration issues and a welcome for immigrant communities. The church also has five sanctuary synods (our regional structures), all of which do work with immigrants, refugees and asylum-seekers.
- **In baptism, we are brought into a covenantal relationship with Jesus Christ that commits us to strive for justice and peace in all the earth. Following the example of Martin Luther, we believe that advocacy is a crucial expression of baptismal identity.** As a church, we have advocated for stopping the detention of children and families for decades. We have spoken out against family separation, sought a pathway to citizenship for community members who have lived in the U.S. for many years, and have taken steps to address the root causes of migration in a way that honors the humanity in people who must flee.
- **Being a sanctuary denomination means that we, as church together, want to be public and vocal about this work.** At the same time, we will have conversations about what sanctuary means with many of our members and discern future action and direction. Welcoming people is not a political issue for us, it is a matter of faith.

**Stewardship Pig Roast & Potluck  
September 15, 2019  
(after 10:15 worship service)**

Please join us in celebrating our Mission and Ministries ( and the new roof!) at the Stewardship Sunday Celebration Pig Roast and Potluck.

Please bring a dish to share - we will provide barbecued pork, cake and beverages.

In preparation for the Celebration, we are filling the walls of the lounge with homemade posters recognizing the reach of Lebanon through the work done by our members and friends. Stop by the table in the lounge and sign up to make a poster about a ministry you want to share. Just add it at the end if it is not on the list and feel free to take some poster board. Posters are due back in the lounge by September 12th.

(if you have any digital photos you would like to use for your poster and can't print, send the files to Meg Eaton @ meg1059@aol.com before Aug. 27. She will print and put photos in your box before church on 9/1.

For the past few years the Ragnar Relay team has been using our parking lot for a stop in their relay run to Traverse City. This event will once again take place on September 27th. ALL DAY!

You will notice the parking lot set up beginning a few days ahead of time.

The past few years, the weather has been rainy, thunderstorms, cold, hot and moderate. We have offered water, coffee and tea in previous years, and have been rewarded with generous donations for our food pantry and church. I would like any volunteers to sign up with Margaret in the Church office to help serve and keep full the refreshments. Perhaps even some healthy snacks?

### 2019 ELCA Churchwide Assembly summary of actions

CHICAGO (Aug. 14, 2019) — Gathering under the theme “We are church,” voting members of the 2019 Churchwide Assembly of the Evangelical Lutheran Church in America (ELCA) made a number of key decisions to further the mission and ministry of this church. The assembly, the chief legislative authority of the church, met Aug. 5-10 at the Wisconsin Center in Milwaukee.

#### More than 900 voting members:

- Reelected on the first ballot the Rev. Elizabeth A. Eaton to a six-year term as ELCA presiding bishop.
- Elected Deacon Sue Rothmeyer to a six-year term as ELCA secretary. Rothmeyer, currently serving as executive for administration with the Office of the Secretary, was installed during the assembly's closing worship on Aug. 10 and will begin her term Nov. 1.
- Approved the social statement “*Faith, Sexism and Justice: A Call to Action*” and its implementing resolutions. The social statement, in part, names patriarchy and sexism as sins and calls the church to action on a range of issues, including gender-based violence, workplace discrimination and economic inequality.
- Adopted “A Declaration of Inter-Religious Commitment,” which will serve as church policy for inter-religious relations. The policy statement was adopted with the witness of 39 ecumenical and inter-religious guests in attendance.
- Approved the triennium budget for 2020-2022, which includes a current fund spending authorization of \$68,378,325 for 2020, a current fund income proposal of \$68,442,034 for 2021 and \$68,507,018 for 2022; and an ELCA World Hunger spending authorization of \$21.5 million 2020, and an income proposal of \$21.5 million for 2021 and for 2022.
- Adopted the “Strategy Toward Authentic Diversity in the ELCA,” which consists of a report and recommendations on how the ELCA exhibits authentic diversity and formulates goals for racial diversity and inclusion.
- Witnessed the presentation of the “Declaration of the ELCA to People of African Descent,” which was accepted by the Rev. Lamont A. Wells, president of the African Descent Lutheran Association (ADLA), and members of ADLA.
- Adopted 26 memorials en bloc, ranging in topics from gun violence to engagement in the Holy Land and gender identity to seminary tuition.
- Adopted a memorial that affirms the ELCA's long-standing commitment to migrants and refugees and declares the ELCA a sanctuary church body.

- Adopted a memorial that calls for the development of a social statement and social message on the relationship of church and state.
- 
- Adopted a memorial to encourage all synods and congregations to commemorate the 50th anniversary of the ELCA's ordination of women in 2020, the 40th anniversary of the ordination of women of color in the Lutheran tradition and the 10th anniversary of the ELCA's decision to remove barriers to ordination for people in same-gender relationships.
  - Adopted a memorial to support the vision and goals of the Poor People's Campaign that align with the ELCA's social teachings.
  - Adopted a series of amendments to the "Constitutions, Bylaws and Continuing Resolutions of the Evangelical Lutheran Church in America," including one that makes ordination the entrance rite for ministers of Word and Service, and an amendment to no longer count deacons as laypeople for representational principles.
  - Adopted a resolution that committed the ELCA to support the World Council of Church's "Thursdays in Black" campaign toward a world without rape and violence.
  - Adopted a resolution to commemorate June 17 as a day of repentance in the ELCA for the martyrdom of the Emanuel 9—the nine people who were shot and killed June 17, 2015, during a Bible study at Emanuel African Methodist Episcopal Church in Charleston, S.C.
  - Adopted a resolution to condemn white supremacy, calling all ELCA congregations to engage in a "study of the structures and rhetoric that empower and fuel racism and white supremacy and to take to heart the teaching of Scriptures, so we may all be better equipped to speak boldly about the equal dignity of all persons in the eyes of God."
  - Celebrated the end of *Always Being Made New: The Campaign for the ELCA*, which concluded June 30 with nearly \$250 million raised in cash, multiyear commitments and planned gift commitments. At the 2013 ELCA Churchwide Assembly, voting members approved the \$198 million campaign to help sustain and grow ministries of the church.
  - Elected members to serve on the ELCA Church Council, churchwide committees and churchwide boards, including Portico Benefit Services, the Mission Investment Fund and 1517 Media.
